

SANDA

Sanda is the fastest growing full contact martial art sport in the world today

Sanda club membership, with KWA, is open to any kick boxing, MMA or any other full contact martial arts club that would like to become a Sanda club.

There are four main elements to Sanda: Kicks, punches, throws and grappling, so it is easily adaptable to clubs with existing full contact competition experience.

As the government recognised National Sporting Organisation (NSO) KWA can provide the protection you may need should the Combat Sports Authority seek to limit or remove your access to competitions.

SANDA COMPETITION PROVIDES:

An internationally recognised rule structure with over 100 countries already involved.

A defined pathway from local, regional, national to Oceania, then recognised World Championship events.

KWA can provide coaching support and access to national and internationally accredited Sanda coaches.

KWA can provide Sanda Judge and referee accreditation programs recognised by the Australian Sports Commission.

KWA Sanda clubs have access to our comprehensive insurance program.
